Putting a new spin on stamping!

Sizzix®

This new must-have AWARD-WINNING stamping accessory is the perfect addition to enhance the Sizzix™ Stencil & Stamp product story, providing even more making opportunities for stamp lovers! The Sizzix™ Stamp & Spin Accessory (#666614) has been seamlessly designed as an addition to the popular Sizzix Stencil & Stamp Tool (664896), giving makers the ability to create continuous circular stamped designs. Launched in 2022, the Sizzix Stencil & Stamp Tool gives consumers everything they need to create beautiful papercraft makes, ensuring layering stencils and stamps are in perfect position and have perfect precision, and has become a craft room staple for thousands of crafters across the globe! Now, we unleash brand new opportunities for using the tool with this exciting new accessory!

Promotional Video ▶

Short video highlighting the key features of the the Stamp & Spin Accessory.

With the NEW Sizzix Stamp and Spin Accessory, it's never been easier to create your own circular stamped designs to create wreaths, as well as all-over patterns!

- The Stamp & Spin easily attaches via the hinge on the base plate of the Stamp & Stencil Tool.
- Contains a rotating stamp press, with segmented grooves to allow makers to achieve the perfect alignment of stamps.
- No need to move the project itself, simply turn the tool into the next chosen position.
- Explore a wide range of new and existing stamp designs and even mix-and-match them to achieve your desired look.
- Compatible with most cling and rubber stamps including our Sizzix Essentials range and fresh designs from new Licensed Artists coming in 2024!.

Easily attaches to the Sizzix™ Stencil & Stamp Tool

Rotating wheel clicks into place every 45 degrees

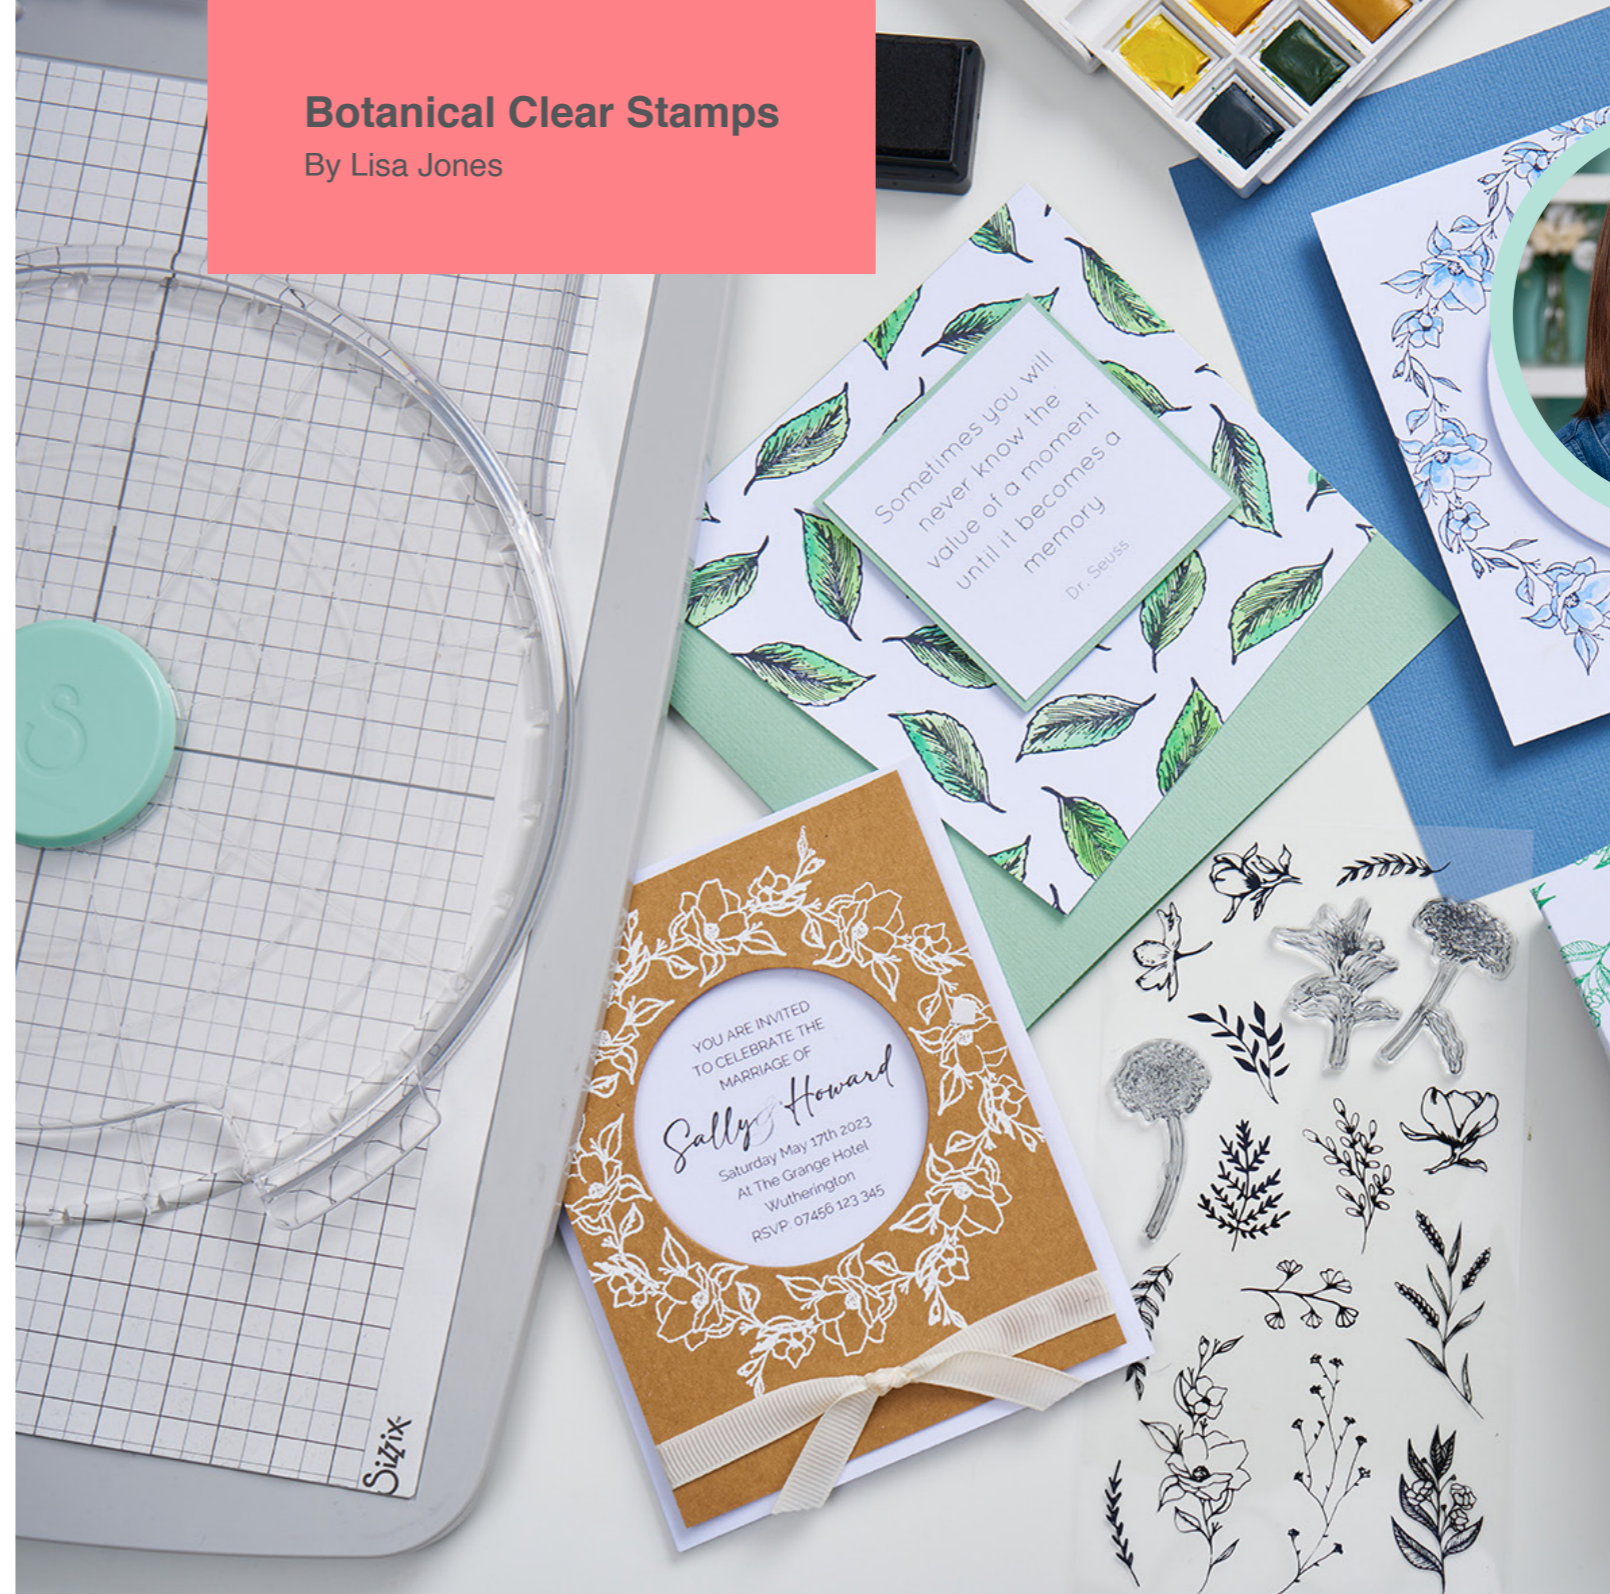

Rotating precision stamp platform

Includes clear mask to keep Sticky Grid Sheet clean when not in use

Botanical Clear Stamps

By Lisa Jones

Fresh from the artistic hand of Sizzix designer Lisa Jones, comes this new collection of botanical stamps. All designed to work perfectly with the new Sizzix Stamp and Spin Tool, these nature inspired designs can

be used to create circular wreaths or all over patterns. Elevate your creations with a splash of watercolor to add a touch of color, or retain the delicate intricacies of Lisa's original drawings for striking organic motifs. The varying sizes of fruit, botanicals and butterflies allow you to mix and match and experiment with different sizes of wreath. To complement these captivating designs, comes a variety of sentiment stamps suitable for various occasions, perfect for adding the finishing touch to your stamped masterpiece. Keep an eye out for further new stamp designs perfect for creating circular designs, such as the 'Synchronized Swimmers' from Catherine Pooler!
